

PEUGEOT

PROFESSIONAL

EXPERT RANGE

FOR THE DAY AHEAD

EXPERT DESIGN IS JUST THE BEGINNING

With its strong road presence, PEUGEOT Expert is a study in both contemporary design and robust functionality. The modern and aerodynamic lines are punctuated at the front by an elevated grille featuring signature LED lighting and the bold PEUGEOT logo.

A mid-size van with a compact design, Expert is built on PEUGEOT's intelligent modular platform making it both light and fuel efficient, while boasting dynamic, car-like handling from the comfortable cabin. Safety is also maximised with a suite of intuitive, next-generation driving assist features.

PEUGEOT Expert comes in two standard models; City & Pro, with short and long body options that deliver maximum versatility and flexible payload configurations to get the job done.

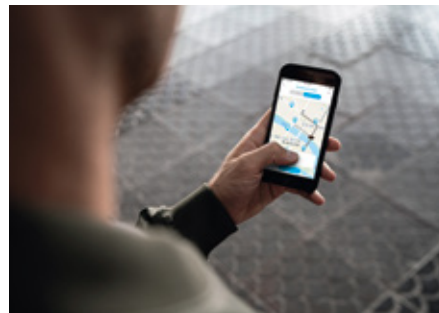

DESIGN & TECHNOLOGY

ERGONOMIC COCKPIT

The intuitive cockpit design features the convenience of a multi-function, compact leather steering wheel¹.

Expert also includes a configurable 5.5" digital screen which displays a host of relevant driving information.

SEAMLESS CONNECTIVITY

PEUGEOT's meticulous attention to all-day driver comfort and productivity is evident in the seamless connectivity with features including Bluetooth®, Apple Carplay® and Android Auto™ Connectivity² – plus a convenient USB connection keeps your devices fully charged all day.

LARGE TOUCHSCREEN

Effortless infotainment technology is just a tap away with the 7" capacitive colour touchscreen.

The bright and clear display delivers fast access to a host of smart tech functions and entertainment – including features in the myPeugeot App (downloadable from App Store).

1. Pro variant only. 2. Compatible Apple® or Android™ device required.

*Overseas model shown

1. Pro variant only. 2. Cargo bay dimensions quoted at maximum length, and are provided for guidance only. The cargo bay is an asymmetric shape and dimensions are therefore variable. Customers must check critical dimension requirements by measuring vehicle. 3. Fuel consumption results are based on WLTP or NEDC standard test procedure to provide customers with a basis for comparison of the performance of vehicles in accordance with ADR 81/02 only. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption is will vary due to factors such as traffic conditions, vehicle conditions and load, fuel quality and how the vehicle is driven. More information at www.greenvehicleguide.gov.au. 4. Subject to terms and conditions, visit <https://www.peugeot.com.au/owners/peugeot-servicing/service-plans.html>

A NEW WAY OF WORKING

A nimble and powerful workhorse, PEUGEOT Expert is everything businesses want in a van. The smart cabin design seats three people comfortably upfront, with front and side airbags, multiple storage spaces and automatic dual-zone climate control air conditioning¹.

Behind the cabin lies a generous cargo space which can handle a payload of up to 1.4 tonne on the largest variant, with short body models featuring 5.3 cubic metres of load space and long body models taking up to 6.1 cubic metres of cargo². Plus with a roof height of just 1.94m, Expert can comfortably negotiate most underground car parks.

Expert's practicality is matched by impressive efficiency, with fuel consumption from 6.3 L/100km³ and you can lock in maintenance costs with an affordable Pre-Paid Service Plan⁴ for up to 5 years.

^{*}Overseas model shown with optional accessories.

SMOOTH DRIVING

Built on the PEUGEOT EMP-2 SUV platform, Expert boasts driving dynamics designed to support you with safe and secure handling, steering and braking. The result is effortless driveability, and a cabin thoughtfully appointed to deliver comfort features often only reserved for passenger vehicles.

REVERSING CAMERA

The wide view, 180° colour reversing camera delivers convenience and peace of mind for busy drivers.

City driving, underground car parks and tight parking spots are all part of the job, but Expert helps you park with ease while avoiding scrapes and mishaps.

*Overseas model shown

ACTIVE SAFETY

To help you work better – and safer – PEUGEOT Expert Van delivers cutting-edge, driver support tech¹ with advanced active safety features including Autonomous Emergency Braking, Lane Departure Warning, Blind Spot Detection, Adaptive Cruise Control, Traffic Sign Recognition and Speed Limit Recognition.

1. Pro variant only.
